Highlights

All the sound you need
The crackle of laser-fire. The roar of a crowd. Two channels liberate the sound of your favorite movies and shows. The powerful, slimline wireless sub-woofer significantly enhances bass. Explosions will rumble, and music sounds deep and rich.

Dolby Digital
Be immersed in your favorite shows and movies. This soundbar with wireless sub-woofer supports the Dolby Digital surround-sound format for a more expansive and involving experience.

Your favorite tunes
Movie over? Time for a post-series-finale discussion? Once the on-screen drama has ended, switch the soundbar to Bluetooth and cue up a playlist. Or play your tunes straight from USB. You'll enjoy the same rich sound, whatever you love to listen to.

Distinctive design
The beautifully simple, angled design and low profile make a statement in any home. When it comes to placement, the included wall brackets keep your options open. The slim design of the powerful sub-woofer makes it easy to conceal.

Any source
Connect via HDMI, audio-in, USB, and more. HDMI-out (ARC) lets you control the soundbar with your TV remote.
